

# Brillion Summer School Leadership Development Workshop

**Location:** Brillion High School Room 1010

**Workshop Dates:** Tuesdays and Thursdays in July (July 10,12,17,19,24,26)

**Workshop Times:** Grades 9-12: 9:00-10:00am

**Instructor:** Jeff Schlender, Brillion HS Social Studies Teacher, Head Boys and Girls Track Coach

**Course Description:** Leadership is a skill that can be developed. This class will focus on identifying and developing leadership skills that can be applied in various situations in the lives of our students. Students will discuss characteristics of leaders, risks of leadership, types of leaders, and opportunities for leadership. The class will be a combination of lecture, interactive discussions, readings and guest speakers. At the conclusion of this six hour workshop students will have a better understanding of the concepts and skills related to leadership.

- *These course times do not conflict with the Summer School Weightlifting class.*

**Who should take this course?** The more people who develop leadership skills in any organization the stronger that organization will become. We encourage any students who would like to develop their leadership skills to check out this course. It would be especially beneficial for team captains, club officers, student council members etc.

Please fill out and return the slip below to Jeff Schlender at the High School by Wednesday, May 9th if you are interested in attending these workshop sessions.
