

Academic Standards at Brillion Public Schools 2020-2021

The Brillion Public School District has adopted the Common Core State Standards (CCSS) for Language Arts, (includes reading and writing) and Math (includes standards for mathematical content and practice). The District has adopted the Next Generation Science Standards (NGSS) in Science. The district implements the Wisconsin Standards in Social Studies, Guidance, Music, Art, Physical Education, Health Education, Foreign Language, Family and Consumer Education, Financial Literacy, Agriculture Education, Business Education, and Technology Education. The Information and Technology Literacy Standards are being infused into all curricular areas. The District has also initiated a standardized Response to Intervention (RtI) Program.
